Want to be a part of the WFDYS 25th anniversary celebration? **Re: Video Submission**

On 11th of July 2020, WFDYS will celebrate its 25th anniversary of being the voice of deaf youth worldwide and it all was possible because of all of your hard work. With 7 boards run by 43 deaf from all continents ensure that 17 camps with approximately 1,000 deaf youth know that they can achieve anything they'd like to by understanding their rights, their identity, celebrate themselves, networking and leadership skills!

We feel that there is a need to celebrate that, to highlight all our wonderful people and to inspire, to encourage and to grow our wonderful global community even more. Which is why we are inviting you to be part of this, to participate in the event to celebrate the milestone so that our current youth will feel positive about the future.

You can contribute to the WFDYS 25th anniversary by send us video signing the message in your native sign language.

Your video clip will be showcased and featured in the exclusive video which will be released on the grand day (11 July 2020) in order to celebrate the big achievement for WFDYS history.
